Team Manager

BONDARIEW Bogdan POL

THE RIDERS: DID YOU KNOW?

- Matteo Bono was the lead rider for the team at the 2009 Santos Tour Down Under and will be again in 2011.
- Bono turned professional in 2006 and took his first pro win at the 2007 Tirreno-Adriatico by winning stage 6. He won Stage 4 of the Tour de Romandie and competed in the 2008 Tour de France.
- Aitor Pereze Arrieta rode the 2010 Santos Tour Down Under for Footon-Servetto Fuji and finished 20th overall in the general classification.

Fast Facts: LAMPRE-ISD

- Manuele Mori previously rode for Saunier Duval, having started his career with Perutnina Ptuj-KRKA Telekom in 2002. He won the Japan Cup in 2007.
- Alessandro Spezialetti is known as a lieutenant or top domestique when riding as part of a team in the Grand Tours.
- Vitaliy Buts has been riding since 1997 and turned professional in 2009.
- Alfredo Ballini joined Lampre-ISD in 2010, his first year as a professional rider.

THE TEAM: DID YOU KNOW?

- Lampre-ISD will hold their first training camp of the 2011 season in Vallecamonica, Italy.
- The Lampre team and Ukrainian metallurgical company ISD have announced they will join forces in 2011 with ambitions to create a major ProTeam.
- Lampre is currently the main sponsor along with Farnese Vini of the Italian ProTeam and ISD is the main sponsor of an Italian Professional Continental team. The two sponsors have agreed to work together for at least three years and ISD will continue to run a Continental development team that will act as a feeder squad to the ProTeam.
- Lampre produces metal panels for white goods such as washing machines.
