POSITION

COURSE TRAFFIC MARSHAL

NATURE OF EMPLOYMENT

Volunteer

POSITION REPORTS TO

Traffic Logistics Coordinator

ROLE DESCRIPTION

As a volunteer Course Traffic Marshal you can legally perform traffic duties to assist SAPOL in implementing rolling road closures to permit the Santos Tour Down Under riders and support vehicles to travel safely on South Australian roads. Course marshals are also used to identify potential hazards such as roundabouts and traffic islands to the approaching riders along the race route. The role of Course Traffic Marshal is to assist with the management of people and vehicles, volunteers are NOT to try and physically stop any person or motorist who disobeys their directions.

Marshals will be required to undertake a training session with a SAPOL representative and Traffic Logistics Coordinator prior to undertaking this role.

Marshals will be required to travel to a central pickup/drop off point in the CBD and then travel via arranged transport to the designated marshal position(s) on course. Following the stage, volunteers will be returned to the central pickup/drop off point in the CBD.

Course Traffic Marshals will be required to be available on at least five stages across the Santos Tour Down Under & Santos Women's Tour Down Under.

Course Traffic Marshals may have multiple points to control on any given day and the designated transport driver will ensure traffic marshals get from to their designated points in time for each road closure. Marshals may be in a given location on their own and at other times will have another marshal positioned with them.

NOTE: This position involves standing for the full duration of the listed roster times
